

During the past year, Manifest...

- increased public attendance by nearly 30%
- launched its third major annual publication project – the **International Photography Annual**
- achieved a total of **1048 different artists from 49 states and 31 countries** exhibited in 8 seasons of projects
- reached **135 academic institutions represented** in exhibits at the gallery
- attracted **4300 people** to gallery exhibits, studio courses and events in East Walnut Hills and Madisonville
- launched a fourth leg of Manifest's suite of programs – the **Manifest Artist Residency (MAR)**, expanding our Woodburn Avenue facility to include the MAR studio space and important support spaces.
- produced **9 Manifest exhibition catalogs (vols. 57- 65)**, the sixth edition of the *International Drawing Annual*, and the forthcoming second edition of the *International Painting Annual* along with the first edition of the *International Photography Annual*.
- expanded studio offerings at the Drawing Center by bringing two international teaching-artists to Cincinnati to lead workshops and provide our first ever public studio demonstrations.
- made dramatic headway with our **HVAC and facility expansion project**, raising \$22,000 in grant funding from the Greater Cincinnati Energy Alliance, and the Johnson Foundation towards the completion of complete HVAC installation.
- remained **free and open-to-the-public with regular hours five days a week**
