FALL 2006 . VOLUME 2 ISSUE 1

MANIFEST

CREATIVE RESEARCH GALLERY
AND DRAWING CENTER

WELCOME!

To those of you new to Manifest membership, welcome! And to those of you - and you are many - who have renewed your membership and your support of our organization, *we are happy to welcome you back!*

This is the first of the four quarterly newsletters you will receive as a member during our season. We hope you will find it informative, inspiring, and at the very least a kindly reminder of opportunities to partake in the exciting creative culture bubbling around Manifest. As a new membership feature, we are now making this and all previous newsletters available in a members-only area of our website. You can access this any time by going to www.manifestgallery.org/members. Your user name is **member**, and password is **member03**. We are also working on implementing a members forum in this area.

We have a big year ahead of us, and we are grateful for your support. We hope you will make Manifest a regular stop, and that you will feel free to stay in touch with our staff to let us know how we're doing along the way. Also, when you visit the gallery or our receptions, please introduce yourself and let the staff know you're a member. We don't always know you by sight, but we would like to.

In this newsletter you'll find a schedule of upcoming exhibits, a list of your fellow donors/members (there are 50 of you already!), a brief intro to our first creative research expedition, and some words about our current exhibit.

Finally, if you selected a gift option upon registering your membership, you will be receiving your premium within the next month with the exception of the NDA 2006 which will not be available until that project is complete. Once again, welcome, and thank you for joining us for season 3!

expedition-bound!

From June 10 - July 1, 2007 Manifest will host our first Creative Research Expedition to Greece. The three-week trip and creativity workshop is now open for registration to students, professionals, and the adventurous public. The trip price, *excluding* transportation to Greece, is \$3500. A registration fee of \$500 is due by February 15th. A documentary exhibit and catalog will be planned for Manifest's gallery during season 4. Itinerary, workshop curriculum, and other details can be found at www.manifestgallery.org/study

SOMETHING from NOTHING

Our current exhibit, *Something From Nothing*, opened to the public on November 10th. Conceived and curated by Elizabeth Kauffman, the exhibit brings together five professors and four students from Alabama, Colorado, Indiana, Massachusetts, and Ohio. Works on view include photography, painting, sculpture, mixed-media, drawing, digital prints, and installation. Pictured at left is Althea Murphy-Price, professor of printmaking at Indiana University, in the process of creating her piece for the exhibit. *Untitled (Hair Rug)*, is a screenprint of sorts, with the artist sifting synthetic hair clippings over a carefully prepared patterned fabric template, then removing the fabric to reveal the final and very delicate piece. About this work the artist states that she is *interested in the importance of physical appearance and its fleeting inevitability*. This is but one excellent example of the irony that pervades *Something From Nothing*. The show will be on view through December 8th. A full color catalog is available.

Real art has the capacity to make us nervous.
